This term Kiera, Lissy, Kit, Ronnie, Gabriel, Evie, Evan, Robyn, Jessica, Alicia, Sam, Harrison, Jacob and Ruby have been selected by the staff to enjoy a well-earned treat with Bricks 4 Kidz on Wednesday 10th April. Congratulations to you all for being nominated and enjoy the activity.

Food for Life Gardening Project: The Big Dig

We are really lucky to have some teams from Lloyds Banking Group coming to give us a hand to dig over the spare land up by the polytunnel on Wednesday 8th May. The aim is to create a new growing space where the children can plant, tend and grow produce to use in the food technology lessons and even for our school dinners. We are hoping to level out the land, clear it of weeds and create 4 raised beds large enough for the classes to get around. If you have a spare hour and a spare spade we would love any parents/ grandparents to join us. Please save the date for your diary if you can lend a hand. Chef Aaron will be on hand with bacon sandwiches to reward the team effort. Let me know if you are available.
