The family learning activities this year have proved very popular and the children have loved the Mod Rock workshops. This took place over two weeks: Wk1 making the models, Wk2 painting the models. The finished items looked fantastic.

Parental Questionnaires

Thank you so much for all your returned questionnaires. In the 12 years that I have been Headteacher at Copley they have been the most positive set of questionnaires we have had back. The positive feedback for all the staff means so much and inspires them to do the amazing but challenging jobs, they do each day for the children. Thank you for the tweaks you would like as well, which are always useful to hear. A full analysis of the questionnaire feedback is on the website and a paper copy has been sent home.

Thank you again

Summer is here!

Please send your child to school with sun-screen and a hat for protection whilst the sun shines!

Pupil Reports

Pupil reports will be sent home on Friday 12th July. Individual reports will be handed to your child in sealed envelopes marked for the attention of parents/carers. We will ask the children not to open the envelope and to hand them to you as soon as possible. If you do not want your child's report delivered this way please let the office know so that we can arrange for you to pick it up directly from there.
