Stars of the week —

*'On Monday we went to the Sculpture Park. We saw a sculpture called the 'Circle of Animals' that had lots of different animals on it and we had to stand under our favourite sculpture and think what it would be saying. My favourite sculpture was the dog—he would just bark! We had to build our own sculpture—this was my team.*

*We had a really good day and Riverwood say thank you to FOCSA for helping us to go'.*

### Amendments to Week 3 .....

.....we have been informed by the kitchen that there will be a slight change to the Friday choice on Week 3 menu.

The fish goujons will be replaced, on both menus, by fishcakes and carrots will be replaced by spaghetti hoops.

Children who have selected goujons and carrots will automatically be given fishcakes & spaghetti unless you let the office know you wish to select another option.

### Online Safety

The Calderdale Safeguarding Team have been working with Cheshire Police who thought it might be useful to highlight the PEGI ratings information, which will give parents and professionals a clear idea of what age a child should be accessing it and the type of content you should expect on the site/app.

We hope you find this guidance useful when making the judgement about which apps/games your child is accessing.
