Congratulations to all the children who took part in the tournament this week down at Rishworthians. One of our three teams was successful in getting through to the final next term so good luck to them ....and well done to you all for taking part!

## Security.....

Please can we ask that parents always report to the main office when entering the school premises - this is during school time and after school. Children wanting to use the toilets after school must go through the main entrance and must be accompanied by an adult. This is for health and safety and safeguarding reasons. Thank you for your cooperation.

### Walk to School Week

Thank you so much to all the families who could join us walking up or down to school this week. We have thoroughly enjoyed walking with the children.

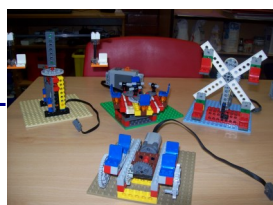

Mr Walker's target was to get as many families walking at some point this week. We managed to get somewhere between 30/40 families involved. Thank you Mr Walker for organising it all!!!

Copley Champions..... were Kidz in a sweetshop!!!

Our Copley champions really enjoyed building the fair-ground this week. They were in their element in and amongst all that lego!!

Max said it was really good and he loved the challenge because it was really hard!!

### One step closer.....

Planning permission for the new school build was granted this week. The Council will now be selecting the preferred contractor and work should begin on the actual construction site in the autumn term, ready for opening September 2018.

### Parent Questionnaires

Thank you so much for all the parents who found time in such busy lives to fill in the questionnaires.

I will now collate all the comments and publish the findings on the website after half term.

Thank you for all your lovely comments. They mean a lot to all the staff in school.
