## Parking .....

.....we are sure everyone is aware that building work has now started for our new school and therefore parking round school may become a little more awkward over the next few months. Please park carefully and considerately and could we ask that you refrain from parking on pavements, particularly at Copley Mount, as this is proving awkward for pedestrians. Thank you

## Bonfire Night Advice

Only buy fireworks marked BS 7114

It is illegal to sell fireworks to anyone under the age of 18.

Always follow the instructions on each fire work and never throw fireworks.

Never go near a firework that has been lit. Even if it hasn't gone off, it could still explode.

Never give sparklers to children under the age of 5.

Never return to a firework once it has been lit.

Remember, it is illegal to let off fireworks after 11.00pm on any date except 5 November which is extended to midnight.

Never burn household rubbish, rubber tyres, or anything containing plastic, foam or paint.

Never use petrol, paraffin or other flammable liquids and never put used fire works, aerosols, foam-filled furniture, batteries, tins of paint or tyres on a bonfire.

If you dump waste where it is not permitted you can face fines of up to £50,000 and even be sent to prison. If you see fly tipping you can report it to Calderdale Council on 01422 288001 **Remember fly tipping is illegal.**

## Always Badges....

Our Always scheme is going really well and we are really seeing a huge difference in the way the children speak to each other around school and in the playground.

We have introduced this week a little slip that comes home if your child has unfortunately had to have their badge removed and we will give you the reason why and the rule they have broken.

You can also ring school to speak to myself or Miss Adamson if you need any more detail on any incidents.
