This Weeks Earth Award Winners

Support Staff Nomination Winner

Polly Szefer

Bankhouse—This Weeks Stars

Congratulations to those taking part in todays swimming gala. The winning house was **WAINHOUSE** !!!

Well done to everyone who swam for Wainhouse , but also to each and every one of our brave competitors who swam their hearts out for their house.

Thank you to those parents who were able to go along and support our swimmers.

## Keeping Safe Online Assembly

As mentioned a few weeks ago we have now arranged for the national expert on keeping safe online, Trevor Harris, to come along to Copley on Wednesday 8<sup>th</sup> Nov to deliver two assemblies to KS1 and KS2.

He will be talking to the children about dangers online and hopefully improving their awareness of how to keep themselves safe.

Please remember also our RED Button on our website where you or the children can report any worrying incidents occurring online with our children.

## Diwali Celebrations

The children had a fantastic time on Monday. The Diwali dance workshops were a real hit with all the year groups.

## Parents Evening

A record turn out again for parents evening this week with 100% of parents responding for an appointment to see their child's teacher. I always say it, but you don't have to wait until the next official parents evening in the spring term to speak to your teacher about any concerns or issues. Please just arrange an appointment with Mrs Borland. If for any reason you did not make it on the night please contact the office to rearrange.

Thank you all for coming and showing your support for your child's education.
