## Copley School Uniform Rebrand

We are currently consulting with parents, children, staff and governors about having a new uniform for when we move into the build next September.

If we decide to go ahead with a new design the new uniform will be phased in from Reception from September 2018. Existing pupils will not be forced into buying any new uniform unless they are needing new stock anyway. I am aware that Mrs Borland will be sending out her usual letter inviting you to order any new uniform you need before Christmas. Please bear in mind before you stock up on a lot of new items that the uniform could be changing from September.

As soon as we have a firm decision on any uniform changes we will let you know.

Thank you to all the parents and children who came along to a workshop this week looking at various options. Your feedback was extremely useful.

### New Menu Cards....

I have been promised these new cards now for a couple of weeks and to date they have not arrived. These menus will start in January.

Hopefully they will come next week and I can send them home.

Please can I have them back as soon as possible, clearly named and choices made.

Thank you

This week a very brave Mrs Beaumont taught a maths lesson with Greenpark in the hall in front of 25 teachers from other local authorities. We get asked quite regularly to allow other teachers to come and see our approach to teaching maths, but 25 was a real record in one go.

I was so proud as I watched them do their maths lesson totally un phased by the large audience. The maths they did absolutely amazed the audience as well as the behaviour of all the children.

Thank you to Mrs Beaumont and all of Greenpark for showing those teachers just how brilliant your maths is.

### Year 6 Residential Trip

If relevant, can we remind parents that the second instalment needs to be paid by 22nd December.

### New Starters 2018
