Head Boy & Girl Charity Event In aid of MNDA

(Motor Neuron Disease Ass)

Scarlett & Carson would love your help in making this a great way to end their year as head boy & girl.

On Friday 13th, each class will be told which body part they cannot use and will have to take part in a physical challenge.

Sports clothing can be worn if your child wants to take part....and please send a donation of £1 towards this worthwhile charity

A couple of months ago three teams of yr5/6 children took part in a tag rugby event culminating in a team taking part in the West Yorkshire finals in Leeds this week.

The children were amazing...coming 11th out of over 30 teams from across Yorkshire. Their behaviour and team work was impeccable and we are very proud of you all.

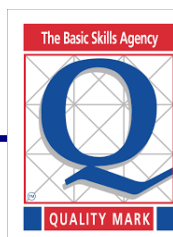

School Meals

School meals Sandwich/Meal options.....

A lot of you have still to reply with regards to your choices for the first three weeks in September. I have used some common sense and have marked your child as sandwiches if they have been on long term sandwiches over this year.

Should that not be the case you must get in touch as soon as possible. Please can everyone else reply as soon as possible as delaying may result in your child not being allocated a school meal on 3rd September.

Basic Skills Quality Mark 2018

Last week we were awarded the quality mark for basic skills.

Thank you to Mrs Potter for all her hard work in achieving this award and to all the parents who came and spoke to the assessor.

Thank you

What a fantastic morning we all had. We had over 120 parents attending to watch the event. The feedback we got from parents was the venue down at Rishworthians is much preferred and you liked both key stages being on the same morning, making it easier for those of you who work.

Thank you to Mr Walker for all his energy on the day and for all the preparation for the event. The parent race ended up in a few falls but other than that, it went like clockwork!!
