Highbury Hub Update

The children coming to the Copley Highbury Hub have begun their transition visits. There are just 2 pupils starting initially. They are both Y3 pupils.

Miss Lauren Cook is the specialist teacher working in the hub with the children each day and her teaching assistant is Miss Billie Moyers.

The children will initially be spending the vast majority of time in their own classroom but as they get to know us, the hope is, they will be able to access odd lessons such as PE or food technology with their Y3 Copley peers. They will of course be playing out with all the children and in the hall for lunch.

We have set up a test text message to be sent to our first priority contact number on Sunday 15th September at 2pm. If you do not get this message please contact the office so we can check the numbers we have on file. Thank you
