Better Reading Training

Can anyone spare a little time 2-3 times a week for ten weeks to join our fantastic volunteers who deliver the Better Reading Scheme in school?

It has proved invaluable for a lot of our children and provides them with an extra opportunity to practise their reading.

Please contact Mrs Miller in school.

TINDERWOOD

Year 6 have been taking part in forest school over the last 5 weeks. They have

had a wonderful time making base camps, assault courses, rope swings and mud slides. This week, their final week, they made toffee apples, toasted marshmallows and played conkers. What a great way to spend a Monday afternoon! I hope all the clothes (and children!!!) come clean.

Copley Chickens

This week the children in Bankhouse have been looking after the chickens. They have done a wonderful job and managed to collect 18 eggs which they scrambled for breakfast this morning.
