

Children in Need Day

The children had a great workout this morning with our link to Joe Wicks, 'The Big Move'. They followed Joe's moves with a warm up and fun exercises.

Thank you for all your generous donations, we have raised approx £200.00 for a very worthy cause.

Staff have also participated in extra fund raising by baking and selling their wonderful wares in school.

York Castle museum

On Tuesday Calder class went on a trip to York Castle museum to learn about the Ancient Greeks.

We learnt a lot including: Alexander the Great, the Ancient Greek Gods and goddesses and the story of Medusa.

We did lots of activities like building toy temples, acting, long jumping and many more.

We had a great day.

STAFF CAR PARK

Please can we just remind parents and grandparents that children should not be brought or taken through the staff car park at pick up or drop off time. The car park at those times is so busy with the minibuses from school and Highbury reversing, it is really dangerous to try and nip through just to save an odd minute.

One family have been given permission to use the staff car park due to having disabled twins with mobility issues and this may be the reason why other parents are suddenly nipping through. Please can we keep the children safe and go through the main entrance at all times. Thank you.
