Mollie In Worldwide Top Thre

Mollie has been placed third in an international competition run by the coding company Hopscotch. She began using the coding platform (available for free on the Apple App Store) with Mr Pilkington in his Computing lessons at the beginning of November and quickly proved to be a real whizz, creating a maze game, Crossy Road and two independent apps that dressed characters she had created.

It was Mollie's Build A Snowman game that got her placed third in the international Christmas competition. See the website for a link to Mollie's game...and who knows, we may be buying future games Mollie creates in the App Stores!

Talk Homework

Week commencing 24th February 2020

If you could be any book character who would you be and why?

To be discussed Monday 2nd March

Better Reading Certificates

Springwood	98	1
Calder	97	2
Lydbrook	97	0
Woodhouse	96	0

The Hub

New Menu Cards

When we return after half term we will be sending home new menu cards to begin after the Easter holidays.

We have been looking at our menus to see how we can offer healthy alternatives in both the main meals and the puddings. We are introducing 'Meat Free' Monday and for now have decided to stop offering the salad option, the filled sub roll will go back to bread and our roast dinner days will be chicken.

This week the children in the Hub have been celebrating the end of their circus topic. They were focusing on using their senses and took part in everything from juggling to having custard pies!

PARKING

Please be careful when parking around school. The zig zag lines mean **NO PARKING** as it is hazardous to pedestrians.

A parent was clipped by a vehicle outside school this morning so please be mindful when parking.

MISSING

Boo Boo went missing on 30th January. If you have any information please contact Matt 07729110917.

#WorldBookDay

A few parents have been asking about the plans for World Book Day so they can get organised over half term.

The theme this year is "Favourite Book Character". So, from Harry Potter to the Hungry Caterpillar be as creative as you like with your costumes for the day.

Have a lovely half term. See you all back at school Monday 24th February.
