**Talk Homework**

We are re-starting our talk homework from next week. This topic will be discussed on Monday 28<sup>th</sup> September.

What 3 changes would you like to make in your life to help the planet?

**Parking Safety Concerns**

Sadly, we have been contacted by Goodales Haulage company again today. They are struggling with a very small minority of our parents blocking the entrance to their yard causing huge issues with trucks not being to turn in and traffic backing up. As you can see from the photo sent below this caused major issues on the road this week. The reported aggression that the owner has been met with this week from a couple of parents when he has tried to speak to them is also really concerning.

Please if this is one of your cars can you ensure you are not parking here in a morning or afternoon?
