Thank you

As a staff team we would like to say a huge thank you to all our families who have shown such support, positivity and understanding through this first term.

The staff are ready for a break given the intensity of this term, but I am beyond proud of how they have had such determination to keep things for the children as normal as possible. We have been so passionate about doing all the things we would usually do, but just had to be creative about how we can adapt to stay safe but yet keep the fun and learning going for all our children.

We are relieved that our first bubble closure worked successfully, and Miss Cochrane did a fantastic job with the online learning for her class.

We were selected at random this week for a central government COVID inspection to see the routines, policies and procedures we have in place. We are happy to share that the inspection went very well and the inspectorate were more than satisfied with all our procedures. Thank you again for all your compliance with this.

As I move towards my final term as the full time Headteacher we are looking forward to getting to know Mr Theaker even better as he spends more time with us next term ready for his January start.
